Guidelines for Scientific Paper & E-Poster Presentation

Abstract Submission

- Abstracts should be submitted only through the official event website.
- The abstract should not exceed 250 words.
- It must include Title, Authors, Institution, Category, and Contact details.
- The abstract should briefly cover aim, methodology, results, and conclusion.
- Only typed submissions in English will be accepted.
- Last date for submission: 15th February 2026.

Presentation Rules

- A maximum of two presenters are allowed per entry.
- The presenter should not mention any names in the presentation; only the assigned code is allowed.
- Both presenters must register for the conference to be eligible for presentation.
- Presenters must adhere strictly to the time limits:
- Paper: 5 + 2 minutes (presentation + discussion)
- Poster: 3 + 2 minutes (presentation + discussion)
- Presentations can be made in both online and offline modes.
- Participants must ensure clarity, relevance, and originality in their presentation.
